## DIRTY POUR

CREATE A UNIQUE &  
UNEXPECTED CREATION  
WITH RIBBONS OF COLOR  
THROUGHOUT.

- 1 Add pigment to create three or more colors of Razzo.
- 2 Layer those colors in one cup, creating as few or as many layers as you want.
- 3 Without mixing the colors together, you can fold them over to create more visual interest.
- 4 Pour from your single cup into the mold.
